

ZANE VIJAY FALCAO

Aspiring Engineer

ABOUT ME

A third-year Computer Engineering student with an ardent passion for computers & web technology.

I am enthusiastic about Competitive Programming, WebD, and Cryptography & take an immense interest in learning newer algorithms and computer languages.

As an agile communicator and thoughtful team player, I look forward to honing my technical and interpersonal skills by being a part of your team!

EXPERIENCE

Web-Dev Associate: GDSC-CRCE

Web Intern: IRIS Developers
